Dear Parents and Guardians,

Welcome to the 2021-2022 school year at Christian Liberty Academy! The goal of the Christian Liberty Academy Health Office is to promote the optimum health of all students so that they may receive maximum benefit from their educational experience. In order to make sure your child stays safe and healthy while in school, we require the following information be **submitted by the first day of school**. In addition, if your child has a chronic health condition, such as asthma, diabetes, seizures, etc., please notify your school nurse immediately, as additional forms will be required.

Please look through the following health information to see what you will need for your student(s) for next year. GO ONLINE and update the Emergency Medical Release and Family Demographics forms on the Family Portal. Schedule your doctor, eye, and dental appointments now, as it is very difficult to get in last minute! Please keep me informed of changes in your contact information. Also, contact information changes should be given to the day school office so that they can update our computer system.

Thank you for your kind attention to returning these forms in a timely manner. I look forward to meeting you.

Best Regards,  
 Nancy Kramer, RN, C.L.A. School Nurse

## Medical Forms & Online Forms: All Students

Every student must have a yearly updated signed Emergency Medical Release done on their Online Application(OA) and required state Health Forms uploaded during the online admission process to their Family Portal in FACTS/SIS or health forms must be brought in to the office by the first day of school.

### Medical Enrollment Requirements:

REQUIRED MEDICAL FORMS																
FORM	PS	JK	SK1	SK2	1	2	3	4	5	6	7	8	9	10	11	12
Emergency Medical Release (OA)	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
Online Family Demographics Forms	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X
**Certificate of Child Health Examination	X	X	X	X						X			X			
Dental Examination			X	X		X				X			X			
Vision Examination			X	X												
Sports Physical									X	X	X	X	X	X	X	X
12 <sup>th</sup> grade proof of MCV4 vaccination																X

\*\*A sports physical will NOT be accepted for the Certificate of Child Health Examination, as it is not a complete exam containing complete immunization documentation.

New students PS, JK, SK1, SK2, 6, & 9 must have new health forms as indicated above and as required by the State of Illinois.

All new students grades 1-5, 7, 8 must submit & upload forms from their old school or get new ones.

New students to grades 10, 11, and 12 must submit a copy of their 9<sup>th</sup> grade physical or get a new one.

We do not force anyone to have immunizations, but a State of Illinois Religious Exemption must accompany all required Certificate of Health Examinations for these grades: PS, JK, SK1, SK2, 6, and 9.

Students with Medical Conditions: Care plans with medication orders for students with ADD, ADHD, Asthma, Food Allergy that require EpiPen at school, Diabetes, Seizures, and an Individualized Care Plan for other disorders are located on the Parent Portal under "Resource Documents" as well as on our website [www.christianlibertyacademy.com](http://www.christianlibertyacademy.com) under Documents.
